Annual Funding Appeal

Mission: Formed in 1985, DAAA's mission is to provide quality amateur athletic opportunities for persons with dwarfism through athlete identification, education and coaching and by facilitating athletic competitions. DAAA is a self-sustaining organization that models fair competition and competitive excellence—leading to increased self-esteem for all participants.

Context: Whether the intent is recreational, developmental, or elite competitions, DAAA provides the context for each athlete's potential to be taken seriously, and provides an opportunity for each athlete to be their best!

Sports: DAAA athletes compete in Track & Field, Basketball, Boccia, Power Lifting, Swimming, Table Tennis, Volleyball, Badminton, Soccer and Football.

National Games: In July 2011, DAAA will host the 25th Annual National Games in Anaheim, CA. At these events, athletes compete under age, gender and functional ability classifications. We anticipate that over 350 athletes will participate in the 2011 National Games.

International Games: The 6th World Dwarf Games will be held at Michigan State University in early August of 2013. Held every four years, this prestigious and unique event provides an opportunity for over 500 recreational and elite athletes from around the world to participate in a week of competition and camaraderie. Countries represented include USA, Great Britain, France, Germany, Bulgaria, India, New Zealand, Australia, Ghana and others. In addition to the World Dwarf Games, DAAA elite athletes who meet qualifying standards are invited to compete in the quadrennial Paralympic Games.

Need: Most children, youth and adults in the United States have numerous opportunities to participate in sports. These same opportunities are not always available to dwarf Americans. Your tax-deductible donation will ensure that dwarf athletes are provided with opportunities to participate in recreational, developmental and elite athletic competitions. Your donation is used to support facility rentals, equipment costs, insurance, sports technical expenses, officiating expenses, awards and operating expenses for DAAA. Please help DAAA continue to provide quality competitive athletic events for dwarf athletes.
