I am writing to ask for your support for DAAA in a *sponsorship* by **June 1, 2017**. Sponsors will have their logos on Team USA athletes' T-Shirts and receive ad banner space on our website and facebook page. In August 2017, DAAA will be sending its athletes to the World Dwarf Games in Guelph, Canada. It will be the largest sporting event for people with skeletal dysplasia in the world. We are expecting over 200 American athletes at this year's World Dwarf Games, with an additional 500 dwarf athletes from around the world. This is a tremendous opportunity for brand exposure!

Your sponsorship will ensure that DAAA athletes have the opportunity to participate in developmental and elite athletic competitions at this year's World Dwarf Games. The World Dwarf Games is the only opportunity for dwarf athletes to compete eye-to-eye in a competitive environment. Most children, youth and adults in the United States have numerous opportunities to participate in sports. These same opportunities are not always available to people with dwarfism.
